

The Well

MONTHLY NEWSLETTER OF
WESTMINSTER PRESBYTERIAN CHURCH

Dear saints,

This Lenten wilderness, we will seek nourishment in body and spirit from the “Bread of Life.” Our worship series will focus on how Jesus fed people with good news, redemption, and stories of God’s kingdom. From wedding feasts to eating with tax collectors to feeding thousands, Jesus continually found a way to give people just what they needed to make it one day more.

Often our broken and beautiful world feels heavy, with aching hearts and worried minds and hungry souls. So we come together, to acknowledge our need for forgiveness and repentance, to remember the source of our strength. Each week in worship, we’ll take home a spiritual practice that week that connects with the Bread of Life. Our children will have a special Sunday School that goes along with this theme as well. For the month of March, we’ll be collecting food for NEW DAY (see the shopping list on page 7!) as a reminder that once we know the Bread of Life, we are compelled to share that bread. Don’t forget to join us on **March 5 at 7:00 pm for Ash Wednesday worship**, remembering that it is not bread alone that gives us life.

Our friends at *Illustrated Ministry* write: “As we journey through Lent, from the wilderness to the shorelines of Galilee, we will find the sacred in the ordinary—like bread, simple yet essential. This Lent, let’s gather together to break bread, savor in the divine generosity of God, and rise to share with the world out of the abundance we have received from the bread of life.” Join us as we worship, learn, give, and connect, and prepare our hearts once more for the holiest of weeks.

Grace and peace,

Kate

Financial Report - as of January 31, 2025

We ended 2024 donations with a bang . It allowed WPC to fulfill its last \$10,000 commitment to the Camp Gilmont Capital Campaign. As a reminder, WPC committed \$15,000 to Camp Gilmont over a three year period and many of us also made a personal commitment in support. WPC and friends pledged around \$39,000 in total and set a high bar for other Presbyterian churches to stretch their budgets to match.

In January 2025, we collected nearly \$24,000 in donations to go against a \$289,660 budget. The Session reviews the latest financial reports at its monthly meetings and relies on each committee to question any charges within their committee budget that were unexpected. The Finance/ Stewardship Committee also reviews the overall reports at its meetings.

Every year at WPC, an audit is performed by 2 or 3 people with a solid financial background to ensure donations are properly received and accounted for. Our goal is to ensure that every dollar is accurately reported.

If you want more information, please contact any Session member or the church treasurer. Better yet, join a committee that peaks your interest and share your expertise.

GIVE

Dear Westminster Presbyterian Church in Arlington,

Thank you for stepping out in faith and helping us launch Gilmont's Strengthening Roots Stretching Branches Campaign with your congregational campaign last year!

I want to thank the Session for providing a match for the first \$15,000 raised and the members of the congregation for exceeding that match!! According to our records, the total commitment from WPC, Arlington is \$38,376! Thanks to God's provision and the faithful leadership and generosity of churches and individuals like you all, Gilmont has received over \$5,020,000 in commitments.

As our construction plans were developed and the price of construction rose, we decided to raise our goal from \$7 million to \$8 million. We would like to invite you all to see the latest renderings for the Lodge and Welcome Center on the Capital Campaign page on our website.

Gilmont has received a Challenge Grant and if we can receive \$6.4 million in commitments by the end of 2025, the Mabee Foundation will grant \$1.6 million to complete our goal of \$8 million. This means that we have less than \$1.4 million left to raise and every commitment and contribution matters!

We currently have several congregations following your lead with campaigns of their own and are in the process of launching the public phase of the campaign. We are finalizing the plans for the new lodge and interviewing potential contractors over the next few weeks.

We would like to invite you to join us for a ceremonial groundbreaking at Gilmont on Sunday, March 23 at 3 pm. We will have a brief ceremony in the Crain Center and then go down to the construction site to turn some dirt and take some pictures!

Thanks again for all you do to help Gilmont cultivate a safe, sacred space where all are invited to grow closer to God, creation, others, and themselves.

Blessings,

Rev. Kenny Rigoulot, Executive Director of Development and Spiritual Formation

Staff Updates

WPC has been blessed with an amazing staff and team that help keep the church running smoothly. We have had a year of celebrations so far in 2025 – with a nostalgic look back at the 10 years of service for Pastor Kate with WPC, the Bon Voyage Retirement party for Debra Nelson’s 14 years of faithful service, and the hiring of our new Admin Assistant Jodie Cox.

Meet Jodie!

Jodie Cox is our new Administrative Assistant at WPC. An Arlington native, Jodie has been the General Manager at United Performing Arts Company (UPAC), overseeing all aspects of operations, including daily logistics, staff coordination, scheduling, financial management, and client relations. As her children have grown, she was looking for another place to share her heart. WPC was just the right fit! Her experience in customer service, event planning, business management, and social media really impressed the Personnel Committee. Her strong organizational and leadership skills allow her to balance both administrative and creative needs, fostering a positive and productive environment both at UPAC and now at WPC.

Jodie is happily married with four children: three daughters in their 20s, and a son who is a freshman percussionist at Martin High School. They also have quite the menagerie at home, with three boxers, one chiweenie, a toy poodle, two cats, and a bird. You might recognize Jodie from her most recent performance with Steven Morris and Bowie Hogg in “Dancing with the Arlington Stars!”

Jodie will be in the office Monday-Friday from 9:00 am-1:00 pm. Rev. Miranda is training and orienting her to life at WPC. Please stop by and give her a warm welcome, showing her we really are Where People Care.

🍀🍀🍀🍀🍀🍀🍀 January Session Highlights 🍀🍀🍀🍀🍀🍀🍀

1. Many thanks to Miranda for keeping the office open while we search for our new office administrator.
2. The media team has begun streaming our worship services.
3. Property committee is looking for people to close up the building after worship. (Check lights, thermostats, and lock doors). Please check with Zeb W or Carol R for more information.
